RE: Support of Hawaiian Telcom's Request for Reconsideration of Sandwich Isles
Communications Study Area Waiver - CC Docket 96-45

Dear Ms. Dortch,

This letter is written in support of Hawaiian Telcom Communications' request for reconsideration of Sandwich Communication's Study Area Waver.

I am currently involved in a lawsuit in U.S. District Court, State of Hawaii, CV05-00030 - Mary Lou Woo vs. Bobby N. Harmon. This lawsuit arose from disputes over the validity of the Settlement Agreement in CV 99-00304-DAE, a RICO lawsuit that I filed in 1999 against the former trustees of Bishop Estate, et al. Two of the signatories to that Settlement Agreement were **Robert K.U. Kihune** and **Gil Tam** - who are, also, two of the principles and officers for Sandwich Isles Communications. In her current lawsuit, Plaintiff Mary Lou Woo is attempting to have damages of **\$500.00 per day** awarded for each day I post information on certain sub-directories of the Website www.the-catbird-seat.net. Excerpts from her Motion for Assessment of Damages can be found at www.the-catbird-seat.net/CV05-00030-Damages-Motion.pdf, and www.the-catbird-seat.net/CV05-00030-Damages-Exhibit-4-5.pdf.

In Hawaiian Telcom's Application for Review, you will note on page 13, that there is a reference to an article in the Maui News, April 27, 2001, which states that this article is available at <http://www.the-catbird-seat.net/SandwichIsles.htm>. As you can see in the attached excerpts from Plaintiff's Motion for Assessment of Damages, the last page of Exhibit 5 lists "**Vultures of the Sandwich Isles**" as one of the "Website Violations" for which Ms. Woo has filed for assessment of damages. I have consistently maintained that this is censorship and a violation of my U.S. Constitutional Rights of Free Speech and Free Press, and am currently filing an appeal of this award.

Additional information regarding these matters can be found at the following Internet addresses:

www.the-catbird-seat.net/CV05-00030-Woo-vs-Harmon.htm

It is my true opinion that Sandwich Isles Communications, whose principal officers and associates are involved in what I have claimed to be racketeering activities, should not be permitted to receive any further federal tax money in order to construct and operate a race-restricted, and area-restricted, communications facility with which they can also restrict access to information by means of frivolous and fraudulent lawsuits against their critics, who also happen to be the taxpayers who pay their salaries.

Therefore, I strongly urge you to support Hawaiian Telecom's request to reconsider Sandwich Isles Communications' study area waiver, and thank you for your time and consideration in this matter.

Sincerely,

Bobby N. Harmon
